On behalf of the Administration of the Hawai'i High School Athletic Association (HHSAA) and the Host League, the Interscholastic League of Honolulu, we would like to thank and congratulate every school, paddler, family, and supporter as we come together for the 2025 – 2026 HHSAA State Canoe Paddling Championship Regatta. The HHSAA truly appreciates all of your continued support, cooperation, and dedication to excellence. We have all grown in many areas and look forward to another great season. We wish you all the best next year in your respective leagues and at the 2026-2027 HHSAA State Canoe Paddling Championships, which will be held on Māui; the location will be announced.

Last year, along the shores of Ke'ehi Lagoon, the HHSAA crowned its champions, and they look forward to defending their titles this year. However, there have been some changes, with the inception and inclusion of Divisions 1 and 2. There will be 12 teams representing Division 1 in each gender, Girls, Boys, and Mixed, and 12 teams representing the Girls in Division 2, with 8 teams each representing the Boys and Mixed to round up Division 2 representation

Here are the 2024 - 2025 HHSAA Champions:

Division	School	Time	Coach
Boys	Kamehameha	3:30.43	Mike Lum
Girls	Kamehameha	4:10.32	Mike Lum
Mixed	Kamehameha	3:48:00	Mike Lum

The competition will be swift, fierce, and extremely exciting this year as all of these teams have posted some really fast times in their individual leagues during their regular seasons. We look forward to seeing you all on Maui in February 2027 for the next HHSAA State Paddling Championships.

\*\*\*We humbly ask that you monitor the trash within your area and place all rubbish in the proper trash receptacles. A dumpster is located behind the Official Stand for everyone's trash. If there are any trash issues within your area, please let the Official Stand know immediately. Food Booths will be available and are serving all kinds of goodies, so please support Castle, Kalani, and Radford High Schools as well as Jamba Juice. Finally, the First Aid Station is located in front of the Official Stand, just next to the paddlers' exit. \*\*\*
