

CHEER MUSIC COPYRIGHT WAIVER

I have reviewed USA Cheer's education initiative regarding music information at <http://usacheer.net/presssafety/music>. I understand U.S. copyright laws govern music usage as part of performances, routines, and competitions, including the 2017 Hawaii High School Athletic Association's Zippy's Cheerleading Championships.

I understand that these laws were designed to protect artists, promote creativity and ensure that artists are compensated for their creations.

I affirm that the music used by our school at the HHSAA Cheerleading Championships will be in compliance with U.S. copyright law.

I also understand that the HHSAA assumes no responsibility for the payment of copyright, royalty, or any other fees connected to the performances of any material in the HHSAA Cheerleading Championships.
