Additional qualifiers may compete for the individual championship. There is no limit on the amount of qualifiers that may compete for the individual championship from one school so long as the tournament representation per league is followed. If a school enters two or less participants, they will compete for the individual championship only.

Substitutes will come from the list of league alternates, following that league's rule for qualifiers to the state tournament. If a league cannot fill the vacancy with an alternate, then the vacancy will remain unfilled.

Team members and other players not involved in the play-off will not be permitted to caddy or give advice. Penalty of two strokes will be assessed to player(s) involved in the infraction.
- D. When a golfer is tied for the individual championship and is also a member of a team which is tied for the team championship, the individual championship will be played first. The individual will then take part in the team play-off with the other team members.
