V. TOURNAMENT REPRESENTATION

A. Individual and Team Players

1. The Official Entry Form must be submitted to the HHSAA Office no later than seven days prior to the tournament.
2. GIRLS: To be eligible for team competition, a school must have a minimum of three players or a maximum of five who must be designated for the team championship. Additional qualifiers may compete for the individual championship. There is no limit on the amount of qualifiers that may compete for the individual championship from one school so long as the tournament representation per league is followed. If a school enters two or less participants, they will compete for the individual championship only.  
*(Rev. 6/2014)*
3. GIRLS: Four players participating and taking the three best scores each day (36 holes). A substitute may be entered for the second round.
4. Change in entries shall not be permitted after the entry deadline, except in case of illness or injury to team member. All changes shall be approved before the scheduled tee time of the first round.
5. Each league shall determine the method of selecting their entries subject to the limitation of golfers allocated to the first round. Each league is guaranteed at least one team entry.
  - a. GIRLS: Representation of golfers for the tournament is limited to 66 golfers
  - b. GIRLS: Representation by a league shall be determined by dividing the league's number of schools by the total number of schools represented in various leagues. Highest percentage fractions shall determine the league's total allocation.
6. The slot for a qualified participant who cannot participate in the tournament belongs only to the league in which that athlete participates. Substitutes will come from the list of league alternates, following that league's rule for qualifiers to the state tournament. If a league cannot fill the vacancy with an alternate, then the vacancy will remain unfilled.

7. Any player who fails to post a score for the 1<sup>st</sup> round and who's school team did not post a score for the 1<sup>st</sup> round, will not participate in the 2<sup>nd</sup> round of play.

B. Coaches' Responsibilities

1. Each team shall be represented by a coach or his/her designee at all times. A team without a coach, whether it is a team of one or two, shall NOT be entered in the tournament unless a coach is designated.
2. A coach must be designated by the school on the Official Entry Form. The coach must assume responsibilities for his/her school and golfers.
3. Players should report to their respective tees 15 minutes prior to their starting time.

VI. TOURNAMENT FORMAT

- A. Team scoring shall be aggregate team medal scoring.
- B. 36 holes shall prevail—18 holes on each day.
- C. GIRLS: Play-off format to determine Team Championship in case of a tie: There will be a sudden death play-off among the three players, from each team, who had the lowest scores for the final round. All six golfers will participate in one "group." Team members may give advice only during play-off for team championship. Team members and other players not involved in the play-off will not be permitted to caddy or give advice. Penalty of two strokes will be assessed to player(s) involved in the infraction.
- D. When a golfer is tied for the individual championship and is also a member of a team which is tied for the team championship, the individual championship will be played first. The individual will then take part in the team play-off with the other team members.
- E. Whenever possible, postponement because of inclement weather should be completed on the succeeding day with time and course designated by the HHSAA Executive Director and Tournament Committee.
- F. If possible, when the Boys and Girls tournament are played in the same week on the same course, the official rounds or official practice rounds will not overlap each other. (*Adopted 6/2016*)

VII. SIZE OF TRAVELING TEAM

Schools are requested to bring only the official golfers accompanied by authorized coaches. Names of golfers and coaches must be listed on the Official Entry Form.

- C. The League Executive Directors or his/her designee shall evaluate each golfer's average.
- D. Medal Play and Low Individual Gross. Whenever there is a tie for the individual championship, there shall be a sudden death playoff to determine the individual championship.
- E. Pairings shall be made on the basis of scoring for the first 18-hole round. On the second round of play, players with the similar scores for the first day of play shall be matched together in groups, except when two or more

players represent the same team or school. The Tournament Pairing Committee shall place these players in separate groups.

- F. Whenever possible, the golfers should tee-off from both the 1<sup>st</sup> and 10th tees, upon approval from the management of the golf course.

#### IX. UNIFORMS

Participants shall wear identical school designated uniforms.

- A. Players of each school shall wear golf shirts and shoes.
- B. Penalty for failure to wear designated school uniform shall result in disqualification of the offending player(s) from team and individual competition.
- C. Proper attire is required at all times at the HHSAA championships (including practice play).
- D. The dress code **prohibits** denim (including colored: blue, black, white, etc.), surfer, swim, gym or short shorts (shorts length must be beyond fingertips when arms are hanging to the side), tank tops, halter-tops, and t-shirts.
- E. All hats must be worn properly (brim forward for caps, etc.)
- F. Collared shirts for all (with sleeves for boys) must be worn and tucked in with belts worn if pants or shorts have belt loops. Girls' shirts with straight hems designed to be worn out will be allowed. Mock turtlenecks shirts will be allowed.
- G. Boys may NOT wear earrings. Other than earrings on girls, no other visible body piercing is allowed (nose rings, etc.).

*Note: The HHSAA recognizes that shirts can be properly tucked in and can become "untucked" during the normal course of play. In these instances, players will be asked to tuck their shirts back in. However, if there is a willful violation of this aspect of the dress code (such as deliberately "untucking" their shirt or disregarding the request to tuck it back in), a player is subject to disqualification at the discretion of the Tournament Director or Tournament Committee.*

Any violation of these guidelines will result in the player(s) not being allowed to start his/her round until the guidelines are met **prior** to the scheduled time of start. Violations that occur during a stipulated round have the following penalties:

1. First offense: warning
2. Second offense: DQ from the day's play and suspension from the next scheduled round.

#### X. AWARDS AND TROPHIES
