STATE WRESTLING

Weigh-In Rules

The NFHS Wrestling Rules Book for 2018-19 provides in Rule 4, Section 5, Articles 3-9 –ART 3...For any event, all contestants shall be present in and remain in the designated weigh-in area unless permission is granted by the meet administration. When all wrestlers for a weight class have had an opportunity to weigh in and the next class is called, that weight class is closed. Tournament weigh-in may proceed by team(s) with the lowest weight class to the highest and end immediately upon the completion of the highest weight class. A contestant shall weigh in for only one weight class during the weight in-in period. If only one scale is available, a contestant may step on and off of that scale two times to allow for mechanical inconsistencies in the scale. If multiple scales are available, a contestant may step on and off of the first scale two times to allow for mechanical inconsistencies in that scale. If the contestant fails to make weight on the first scale, the contestant shall immediately step on each available scale one time in an attempt to make weight. During time off the scale(s), activities that promote dehydration, weight loss or weight gain are prohibited.

ART 4...The referee, or other authorized person of the same gender, shall supervise the weight-ins.

ART 5...When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers up to a maximum of 2 pounds.

Art 6...A contestant representing a school in an individually bracketed tournament shall be named by weight class prior to the conclusion of the weight-in.

ART 7 . . . All contestants shall weigh-in wearing a legal uniform (4-4-1) and a suitable undergarment that completely covers the buttocks and the groin area. Contestants shall not weigh-in wearing shoes or ear guards. Female contestants shall also wear a suitable form-fitted compression undergarment that completely covers their breasts. Contestants may wear ~~low-cut~~ socks that cannot be removed or added if the wrestlers do not make weight.

NOTE: No additional weight allowance shall be granted for weighing-in wearing a legal uniform.

ART 8...Any contestant failing to make weight during the weigh-in period shall be ineligible for that weight class.

ART 9... Any contestant who has been authorized to wear an artificial limb, shall weigh-in with the artificial limb." This clarification has been written to ensure that all athletic directors, coaches, wrestlers and officials clearly understand the implication of the new rule

WRESTLING

I. SPECIFIC OBJECTIVES

- A. To determine the state individual and team championships.
- B. To promote interest in wrestling on the part of students, school, and community.
- C. To promote individual, team, school and spectator citizenship.

II. OFFICIALS

A. Selection and Assignments

- 1. Officials must have taken the National Federation test.
- 2. Officials may be selected from all leagues. Names of qualified officials may be sent to the HHSAA Executive Director either by the League's Executive Secretary or representative.
- 3. Selection and assignments of officials shall be made by the HHSAA Executive Director and Sport Coordinator using a Referee's Ranking system. (Rev. 6/2012)

B. Financial Allowance

- 1. Referees shall be paid based on HHSAA rates.
- 2. Assistant referees will be used for Consolation Round three, Round four, Semi Finals and Final matches.
- 3. For the finals, officials will rotate as referee, assistant referee, and scorer's table advisor. A minimum of twelve officials will be used for the 2nd day. Officials will serve as official timekeepers. Officials will be selected and placed accordingly by the HHSAA Executive Director and Sport Coordinator.
- 4. Officials shall be assigned to handle the weigh-in sessions. Three officials per scale are recommended for each session.

C. Uniform

- 1. All state tournament officials/umpires shall wear uniforms in accordance with their sport's NFHS rules/guidelines/recommendations. In the absence of any NFHS rules/guidelines/recommendations, the sport's HHSAA Sport Coordinator shall have the final say as to the appropriateness of a state tournament official's/umpire's uniform.

III. ELIGIBILITY (SEE HHSAA HANDBOOK)

IV. RULES GOVERNING THE TOURNAMENT

- A. The National Federation Wrestling Rules shall govern the tournament, with HHSAA modifications as needed, including the HHSAA's Wrestling Weight Monitoring Program which was implemented to be in compliance with the NFHS rules (Rule 1, Section 3. Weight Control Program).
- B. Weight-monitoring program
 - 1. For Weight Monitoring Program purposes, wrestlers can only be tested by their respective league's athletic trainers (or other representatives), and not those of another league. The number and scheduling of the respective league's testing dates shall be set by each respective league.

2. One retest will be allowed for wrestlers who establish a minimum weight that is within one pound over their minimum weight class. Testing will occur with each league's hydration testing period.
Example: A wrestler passes hydration and establishes a minimum weight of 108.4. They will be allowed to retest one more time because they are within one pound of the 108-lb. weight class as opposed to being forced to wrestle up at the 114-lb. weight class. (Rev. 6/2013)
- C. HHSAA-approved Addition to the National Federation Wrestling Rules (added June 2010) - If a defensive wrestler in a near-fall situation signals with the "tap-out" gesture, and the match is stopped because of the signal, then the wrestler will default the match, except if the tap-out gesture is due to an illegal hold on the part of the offensive wrestler.
- D. Coaches are reminded to instruct their athletes of the host school's gym or arena regulations and to abide by these regulations.
- E. For injury time, have the timer (or assistant referee, if available) give a loud verbal countdown of the amount of time left at 15 second intervals.
- F. The host school at a wrestling site shall be responsible for a stopwatch at each scoring table. The host school can provide the stopwatches or ask the participating schools to provide them. For example, if three dual meets are being held simultaneously at one site, the host school can provide all three stopwatches or ask the other schools to provide them.
- G. A timekeeper shall be on the wrestling mat during injury/bleeding time outs to assist the wrestling official, athletic trainer, and coaches. The timekeeper's only responsibility during the time shall be to keep track of the injury/bleeding time and to verbally announce such time at the intervals of: one minute, 1:15, and at the expiration of the injury/bleeding time out.
- H. The injured/bleeding wrestler must be ready to wrestle (e.g. shoelaces must be tied and taped) by the conclusion of the injury/bleeding time out.
- I. The final decision as to whether an injured wrestler shall continue to compete in his/her wrestling match shall be made by the attending athletic trainer.
- J. The wrestling season will be a minimum of 15 weeks. (Rev. 6/2012)
- K. One coach will be able to be with their wrestlers while in the staging area. (Rev. 6/2014)
- L. A dermatologist provided by the HHSAA shall be onsite for weigh-ins on both days of the tournament. (Rev 6/2015)
- M. Any student-athlete or coach disqualified before, during or after a state tournament game/match/event for unsportsmanlike conduct, flagrant verbal misconduct, or flagrant physical misconduct shall be disqualified from his/her next scheduled state tournament game/match/event for that sport. The student-athlete or coach has the right to appeal any such disqualification to an appeals committee for the particular sport. Should a student-athlete or coach be disqualified from the final state tournament game/match/event for that sport, said disqualification shall NOT carry over to the following school year's state tournament for that sport. Instead, the student-athletes or coaches league shall determine any appropriate penalty or sanction. (Rev. 06/2013)

Each wrestler shall establish a certified minimum weight by the prescribed deadline and shall be prohibited from re-certifying at a lower weight during the same season.
